Dear Judge Sweet:

The purpose of this letter is to request that the time for defendants to answer or otherwise move with respect to the complaint of the pro se inmate in the above matter be set for September 8, 2008. To date, we have requests for representation from four of the seven defendants. The additional time is needed to obtain other requests for representation or otherwise to resolve any service of process questions, as well as to obtain the needed information in responding.

No previous request for an extension of time has been made.
